

Office of Aging and Adult Services

**OAAS Requirements for Placement on the Support Coordination
Freedom of Choice List
for the
Elderly and Disabled Adult Waiver Program
Adult Day Health Care Waiver Program
HIV-AIDS Targeted Support Coordination Program**

Any agency licensed for the provision of support coordination (case management) services for the Elderly and Disabled Adult Waiver, Adult Day Health Care Waiver or HIV-AIDS Targeted Support Coordination programs must complete and/or have the following PRIOR to placement on the Support Coordination Freedom of Choice (FOC) list:

- Current License for Support Coordination (case management) issued from the Department of Health and Hospitals' (DHH) Health Standards Section
- Valid Medicaid Provider Number
- Completion and/or approval of applicable requirements listed on the **OAAS Support Coordination Enrollment Checklist**
- Written approval from OAAS of the support coordination agency's brochure in accordance with the **OAAS Support Coordination Brochure Requirements** (if applicable); provide to DHH or its designated contractor an adequate supply of approved brochures
