GENERAL INFORMATION FOR THE INDIVIDUAL CHIROPRACTOR PROVIDER TYPE

Individual Chiropractors may link to the following group (as long as the group has a Louisiana Medicaid business/entity type Provider Number):

- Chiropractor Group

Linkages of Professional Individuals to Groups – a professional individual's provider number can be "linked" to a group provider number for purposes of billing as an attending provider for the specified group.

- **Open professional individual providers require only Group Link/Unlink and Working Relationship Form.**
- **New, Inactive, or Closed professional individual providers require an entire enrollment application as well as the Group Link/Unlink and Working Relationship Form.**

The number of groups a professional individual can link to is limited. It is very important that all professional individuals terminating their relationship with a group notify Provider Enrollment. Provider Enrollment can then unlink the professional individual from the specified group, allowing the professional individual to be linked to other groups in the future.

Claims submitted under the group number, with a professional individual's number included as the attending provider, will be processed and the remittance will be sent directly to the group's mailing address. **It is not necessary for the individual's mailing address to be the same as the Group's mailing address for these Remittance Advice notices to be sent to the group, if billed correctly.**

If a professional individual is linking to a group as an attending only (not being paid individually by Medicaid), then the EDI Contract, Direct Deposit Form, and voided check are not required.

STATE OF LOUISIANA
DEPARTMENT OF HEALTH AND HOSPITALS

Dear Provider:

It is the policy of the Bureau of Health Services Financing that the Medicaid Program will only pay for in-office performance of certain laboratory and diagnostic services which are billed by physicians if the following conditions are met:

1. The physician has completed and has on file with Louisiana State Medicaid Program, Provider Enrollment Unit, a completed OFS Form 24.
2. The completed OFS Form 24 fully describes the laboratory or diagnostic equipment required to perform these tests.
3. The OFS Form 24 information is updated as needed.

Our policy towards laboratory or diagnostic services that are performed outside of a physician office remains unchanged. Physicians may not be reimbursed for laboratory or diagnostic services ordered for their patients if these services are performed outside of their office. Only the performer of a test may seek reimbursement for these services. Any interpretive service by the attending physician is reimbursed through the physician visit payment.

The OFS Form 24 requirements only pertain to: 1) those participating physicians who own or lease laboratory or diagnostic testing equipment that is located in their office or place of practice and 2) for which use the physician will be submitting a claim to the Medicaid program.

Example 1: Dr. Jones is an individual practitioner who owns or leases a SMA-12, EKG monitor and X-Ray equipment. Dr. Jones wishes to perform laboratory and diagnostic services on Medicaid patients in his office and bill the Medicaid Program for these laboratory or diagnostic services. Dr. Jones must complete the OFS Form 24.

Example 2: Drs. Smith, Jones, Doe, and Rae are a group practice. As a group they own or lease laboratory and diagnostic equipment. It is their desire to use this equipment in treating Medicaid recipients, and they will bill the Medicaid Program for these services. If each physician is individually enrolled in the Medicaid Program, each physician in the group must complete the OFS Form 24, even though the descriptive information will be identical. If the physicians are enrolling as a group, only one OFS Form 24 is required as long as all members of the group are indicated.

Example 3: An individual or group practitioner utilizes an external source for laboratory or diagnostic tests. The individual or group practitioner would not complete the OFS Form 24, as they would not bill the Medicaid Program directly.

A Louisiana OFS Form 24 is enclosed for completion and submittal where applicable. Return the completed form to:
