

NURSING HOME PROVIDERS

2010 Case Mix Rate Workshop

January 25, 2010

1:00 p.m. – 4:30 p.m.

DEQ Oliver Pollock

C111 Conference Room

602 N. Fifth Street

Baton Rouge, LA 70802

This program has been designed to provide nursing facility personnel and consultants an understanding of the Louisiana case-mix rate methodology, case mix calculations, fair rental value bed-buy back, private room conversions, and the use of cost report data.

This training is appropriate for Cost Report Preparers, Accountants (including Home Office Staff), CFO's, Controllers, Office Managers, and others involved in Case-Mix Rate Reviews.

4 CPE credits: Specialized Knowledge & Applications
