APPENDIX A - Pharmacy Point of Sale Agreement**

**STATE OF LOUISIANA
MEDICAID PHARMACY POINT OF SALE AGREEMENT**

This Pharmacy Point of Sale Agreement (hereinafter Agreement), made and entered into this ____ day of _____, 20____, by and between the Louisiana Department of Health (Hereinafter Agency), acting in its own right as the Agency responsible for administering the Medicaid Assistance Program (Title XIX) In and by _____ (hereinafter Provider).

In consideration of the mutual promises and covenants contained herein and other good and valuable consideration, the pharmacy agrees to provide said services in accordance with the following terms and conditions.

1. This Agreement is in addition to the Provider Enrollment Application between the Agency and Provider, including, but not limited to the right of the Agency or its representatives to perform audit functions or the requirement that the Provider maintain the original prescription on file.
2. Provider shall submit to the Agency, through the fiscal agent (hereinafter Agent), for Louisiana Medicaid, via a Point of sale (POS) device, claims for prescriptions dispensed to Louisiana Medicaid recipients.
3. The Provider shall safeguard the Medicaid program against abuse in its utilization of claims entry through the POS system.
4. The Provider shall correctly enter the claims data, monitor the data and certify that the data entered is correct.
5. The Provider shall reverse any claim which is adjudicated (submitted for payment) and then not dispensed to a Medicaid recipient.
6. The Provider shall allow the Agency access to claims data and assure that transmission of claims data is restricted to authorized personnel so as to preclude erroneous payment by the Agent resulting from carelessness or fraud.
7. The Provider shall allow the Director of the Agency or any of its designees and representatives of the Office of the Medicaid Fraud Control Unit to review and copy all records.
8. The Provider shall abide by all Federal and State statutes, rules, regulations and manuals and provider updates governing the Louisiana Medicaid Program and those conditions as set out in the State of Louisiana, Department of Health Medicaid Provider Agreement entered into previously.
9. The Provider agrees to charge no more for Medicaid services than is charged to the general public.

APPENDIX C - Point Of Sale Certification **

POINT OF SALE CERTIFICATION

I certify that all Point of Sale claims are rendered by a legally qualified person, that the charge is within the Department's prescription package policy and that the payment has not been previously received. I have read and understand all published regulations, Prescription Drug Services Manual and Provider Updates concerning pharmaceutical payments and agree that all point of sale services adhere to those regulations. I also agree to keep such records as are necessary or required to disclose fully the extent of Point of Sale services provided to individuals under the State's Title XIX plan and to furnish all information regarding any payments claimed for providing such Point of Sale services as the state agency or the Medicaid Fraud Control Unit may request for five (5) years from the date of services.

I understand that payment and satisfaction of the claims will be from federal and state funds and that any false or misleading claim statements, documents or concealment of material fact, may be prosecuted under applicable federal and state laws.

APPENDIX F - NCPDP Reject Code to LA-MMIS EOB Crosswalk Changes

MMIS Code	NCPDP Version 5.1	NCPDP Version D.0	Status
238	38	DN	
239	38	DN	
458	38	DN	
479	DP	9B	

Other D.0 changes

- Rx Number has expanded from 7 to 12 bytes.
- The following fields are now required by NCPDP (* - already required by payer)
 - 304-C4 Date of Birth *
 - 305-C5 Gender Code
 - 311-CB Patient Last Name *
 - 442-E7 Quantity Dispensed *
 - 403-D3 Fill Number
 - 405-D5 Days Supply *
 - 406-D6 Compound Code
 - 408-D8 Dispense as Written
 - 414-DE Date Prescription Written *
 - 409-D9 Ingredient Cost
 - 430-DU Gross Amount Due
- Additional Message field on the response will now be divided into multiple occurrences of 40 bytes of data versus 1 continuous message.
- Previously, a rejected claim may have up to 20 reject codes. D.0 has changed to return the rejected claim once 5 reject reasons have been accumulated.
