

## To All Louisiana Pharmacies

Regarding the previous notice of January 27, 2012, relative to a public records request for pharmacy data related to the Survey of the Average Cost of Filling a Medicaid Prescription in the State of Louisiana: As of today, a determination has been made that the Louisiana Department of Health and Hospitals, including its agents and contractors, will not release any of the requested pharmacy data in response to the request. This notice is being provided via email to the pharmacy stakeholder representatives listed below and supersedes the above referenced notice of January 27, 2012.
