

LARC Reimbursement Changes-Professional Services Program

Effective with date of service October 20, 2014, reimbursement rates in the Professional Services program for Long-Acting Reversible Contraceptives (LARCs), (IUD's and injectable contraceptives) will be more reflective of the acquisition cost. The updated rates can be found on the Medicaid Professional Services fee schedule located on www.lamedicaid.com. Going forward, reimbursement rates for LARCs through the Professional Services program will be adjusted annually to coincide with the Medicaid program's HCPCS update.
