

**Attention Free-Standing ESRD Facilities
Systematic Claims Adjustment**

A systematic adjustment of Free-Standing ESRD Facility claims will occur on the RA of August 25, 2009 for claims that were paid incorrectly as a result of the delay in implementation and/or a programmatic error in payment calculation when the rate reductions were implemented for dates of service on or after February 26, 2009. These reductions were part of the 2009 Medicaid budget cuts. No action is necessary by providers. A minor increase or decrease in payments will be noted as a result of these adjustments.
