

UPDATE REGARDING 9/22/10 & 10/16 CLAIMS ADJUSTMENTS: PAYMENT PLANS TO RESUME

Providers affected by the Oct 5, 2010 RA payment/recovery error have been repaid the amount recovered in error. In an effort to ensure adequate testing of the system prior to re-establishing the payment plans, DHH has temporarily ceased deducting funds from the weekly RAs of October 19-November 9, 2010. All programming and testing is now complete and recovery of funds will resume on the RA of November 16, 2010 & spread over the number of weeks remaining in the payment plans.
