

### **Attention Providers**

Louisiana Medicaid is experiencing low response rates to renewal letters and requests for information from Medicaid enrollees. In an effort to increase response rates and ensure continued coverage, please see attached/linked informational flyer that can be posted in provider offices to assist Medicaid enrollees in complying with this important request for information. We appreciate your cooperation.

**Healthy  
Louisiana**

**Did you receive  
a letter from  
MEDICAID?**

**Did the letter ask you to  
renew or provide information?  
If yes, **ACT TODAY** to prevent  
loss of coverage!**
