

UPDATE REGARDING PROFESSIONAL SERVICES RATE REDUCTIONS AND CLAIMS ADJUSTMENTS

Providers affected by the claim adjustments for the Aug 4, 2009 and January 22, 2010 rate reductions will see their remaining adjustments on one midweek RA, either on September 22 or October 6. Refer to the memorandum published 8/25/10 on www.lamedicaid.com. Please note that one of the following two scenarios will occur unless an alternative payment plan is requested: 1) If the balance due is less than \$500, the full amount will be withheld from the normal weekly RAs following the midweek adjustment RA. 2) If the balance due is greater than \$500, it will be divided and applied in equal amounts to the normal weekly RAs following the midweek adjustment RA & continue through June 7, 2011.

Providers interested in an alternative payment plan, send an e-mail as soon as possible to medicaidprofessionalservices@la.gov detailing your request. Please enter "Alternative Payment Plan" in the subject line.
