#### **Louisiana Medicaid Procedure Code and Rate Changes for ABA Services**

---

Effective January 1, 2017, the Louisiana Department of Health (LDH) Louisiana Medicaid Program is adopting the new temporary ABA CPT codes and the corresponding rates for these codes. A notice concerning the changes was recently sent to enrolled providers.

To ensure a smooth transition for providers, LDH and Molina Medicaid Solutions will offer two webinar sessions to present the changes in codes, rates, and prior authorization procedures.

Providers are strongly encouraged to attend one of these sessions as they will not be repeated. The dates, times, and registration links are below. The sessions are identical, so providers should register for only one of the sessions.

Please register and mark your calendar to attend!
