

ATTENTION PROVIDERS OF HOME HEALTH SERVICES:

Louisiana Medicaid has chosen to delay the home health prior authorization requirement for Medicaid fee-for-service beneficiaries ages 21 and older. Prior authorization will not be prerequisite to the start of services for this age group at this time. Until further notice, claims for home health services for adults who are fee-for-service beneficiaries will be processed by Molina in the same manner as prior to 9/1/2018. More information will be forthcoming in the near future. If you have questions about this message, please contact Michelle Renée at Michelle.Renee@la.gov or (225) 342-6888.
