

**ATTENTION: Providers and Submitters of Electronic Claims – Urgent Message**

The deadline for receiving the 2019 Annual EDI Certification Forms was December 31, 2018. If you have not submitted a Certification Form for your submitter number (beginning with 450) or failed to follow-up on an EDI request for additional information, immediate action is required. Submitters who do not submit the required form will be deactivated on January 31, 2019.

Emails have been sent to those Submitters whose 2019 Certification forms/additional information have not been received by the DXC (formerly Molina) EDI Department. Please have your signed original form submitted as quickly as possible or provide the requested additional information to ensure no delays in claim payment.

Please return completed signed original form to this address as soon as possible:
