**ADULT DENTURE PROCEDURE CODES**

Provided in the tables on the following pages are the procedure codes for adult denture services.

All procedure codes designated as non-specific are meant to cover procedures not specifically assigned an individual procedure code. The provider must furnish detailed information as to the nature of the procedure, justification for the provision of the procedure, and the provider's usual and customary fee.

All services marked with an asterisk (\*) require authorization.

All services marked with a number sign (#) require a tooth number, quadrant designator, or an arch designator.
