**Anesthesia Modifier Legend**

Modifier	Servicing Provider	Service Performed
AA	Anesthesiologist	Anesthesia services performed personally by the Anesthesiologist
QY	Anesthesiologist	Medical direction of one CRNA
QK	Anesthesiologist	Medical direction of two, three, or four concurrent anesthesia procedures
QX	CRNA	CRNA service with medical direction by an Anesthesiologist
QZ	CRNA	CRNA service without medical direction by an Anesthesiologist
47	Delivering Physician	Anesthesia provided by delivering Physician
52	Delivering Physician or Anesthesiologist	Reduced services
QS	Anesthesiologist or CRNA	<p style="text-align: center;">Monitored anesthesia care service</p> <p style="text-align: center;">The QS modifier is a secondary modifier only and must be paired with the appropriate anesthesia provider modifier (either the Anesthesiologist or the CRNA).</p> <p style="text-align: center;">The QS modifier indicates that the provider <b>did not introduce</b> the epidural catheter for anesthesia but <b>did monitor</b> the recipient after catheter placement.</p>
