Dear Pharmacy Providers/ Prescribing Practitioners:

RE: PDL # 11-02

The most current and complete listing of drugs on the Medicaid Prior Authorization (PA) Process' Preferred Drug List (PDL) and the detailed letter that accompanies the PDL are being posted on the Louisiana Medicaid web site, [www.lamedicaid.com](http://www.lamedicaid.com). The list and letter are located under the directory links: (1) Pharmacy & Prescribing Providers and (2) Forms/Files/User Manuals – RXPA Files. **This list is effective January 1, 2013.**

Effective January 1, 2012, the PDL is no longer mailed to pharmacies and prescribing practitioners. You will continue to be notified by this letter that the most recent listing can be found on the web site as indicated above.

In addition, updates to Medicaid's quantity limits on selected agents can be found at <http://www.lamedicaid.com/provweb1/Pharmacy/pharmacyindex.htm>. New quantity limit edits will be effective January 15, 2013.

Providers should routinely visit this web site for the most current PDL and other important information related to Louisiana Medicaid.
