3.1 Navigating the List of Weekly Spreadsheets

You are enabled to scroll through the weekly spreadsheets by means of control buttons at the bottom of the grid:

The screenshot shows the Louisiana Medicaid website interface. At the top, there is a header with the Louisiana Department of Health logo and a 'BACK TO LDH' button. Below this is a large blue banner with the text 'LOUISIANA MEDICAID' and a breadcrumb trail: 'You are here : Louisiana Medicaid > My Applications > Friends and Family'. The main content area is titled 'ga|inwell Open Friends & Family Providers' and includes a 'PRINT' button. On the left, there is a 'My Account' menu with links for 'My Profile', 'My Applications', 'Logout', and 'Help'. The main content displays provider information: 'Provider ID: 1209996' and 'Provider Name: LDH MGMT/DXC TECH PBM STAFF'. Below this is a table titled 'Open Friends & Family Provider Reports' with two columns: 'Export Date' and 'Extract'. The table contains 11 rows, each with a date and a 'DOWNLOAD' button. At the bottom of the table is a pagination control with a row of numbers (1-10), a left double arrow, a left single arrow, a right single arrow, and a right double arrow. A red arrow points to the right double arrow button. The page number 'Page 1 of 59' is displayed below the pagination controls.

The double arrow control buttons enable the user to go quickly to the first page (left double arrow) or last page (right double arrow) of the list.

The single arrow control buttons enable the user to go to the previous page (left single arrow) or next page (right single arrow) of the list.

The row of numbers enables the user to click on a specific page of the list to view the results.

Once you have found the spreadsheet you want to see, click on the **Download** button to its right.

The table has two columns: "Export Date" and "Extract". The first row, dated "04/21/2019", has a "DOWNLOAD" button highlighted with a red arrow. Other rows have similar "DOWNLOAD" buttons for dates ranging from 02/17/2019 to 04/14/2019. At the bottom of the table, it says "Page 1 of 59".

The report will be similar to the one shown below (without the sensitive data omitted).
