Louisiana Department of Health
Bureau of Health Services Financing

MEMORANDUM

DATE: September 27, 2022

TO: All Louisiana Medicaid Prescribing Providers and Pharmacists

FROM: Tara A. LeBlanc, Medicaid Executive Director  ^{DS}

SUBJECT: Louisiana Medicaid Pharmacy Smallpox Monkeypox (Live) Vaccine (Jynneos®) Coverage

On October 3, 2022, with an effective date of September 15, 2022, in response to the recent spread of monkeypox, the Louisiana Medicaid Fee for Service (FFS) Pharmacy Program and managed care organizations (MCOs) added coverage for the smallpox monkeypox (Live) vaccine (Jynneos®). This memo will give updated billing information for **pharmacy claims** submitted to FFS Medicaid and Louisiana Medicaid MCOs (Aetna, AmeriHealth Caritas, Healthy Blue, Louisiana Healthcare Connections, and UnitedHealthcare).

Vaccine Requirements

FFS pharmacy program and MCOs will cover the smallpox monkeypox vaccine. The smallpox monkeypox (Live) vaccine (Jynneos®) is given as 2 doses separated by 4 weeks. A booster is allowed 2 years later.

Vaccine Reimbursement

The federal government covers the cost of the smallpox monkeypox (Live) vaccine (Jynneos®). Therefore, Louisiana Medicaid will reimburse enrolled pharmacies for the **administration fee and not the ingredient** for smallpox monkeypox (Live) vaccine (Jynneos®).

Vaccine Copay

There will be no copay assessed on smallpox monkeypox (Live) vaccine (Jynneos®). Third party billing policy will apply and Medicaid will be the payer of last resort.

FFS and MCO Smallpox Monkeypox (Live) Vaccine (Jynneos®) Coverage

Point of Sale Bypass for Smallpox Monkeypox (Live) Vaccine (Jynneos®)

Administration

Pharmacy claims for smallpox monkeypox (Live) vaccine (Jynneos®) will bypass FFS Point of Sale edits for the four prescription monthly limit and pharmacy Lock-In.

Pharmacist Requirements

For vaccine administration reimbursement, the pharmacist shall:

- be registered with the Louisiana Board of Pharmacy with the “Authority to Administer” vaccines.
- be registered as a Louisiana Medicaid provider.
- report certain data elements to the CDC for each vaccine dose administered within 24 hours of administration, as a vaccination provider.
- inform the individual that the administration of an immunization or vaccine is not to be construed as being in lieu of an annual preventive visit with the individual's primary care or family physician.
- access Louisiana Immunization Network Kids Statewide (LINKS) prior to immunization administration to verify appropriate utilization according to Advisory Committee on Immunization Practices (ACIP) to prevent duplication, unnecessary doses, inappropriate age, etc., if possible.
- report each immunization to the Louisiana Department of Health, Office of Public Health's LINKS at the time of the immunization or as soon as reasonably practicable, thereafter.
- report all adverse events observed or which are reported to the pharmacist to the Vaccine Adverse Events Reporting System, or its successor program; and further, the pharmacist shall refer the patient with an adverse event to appropriate medical care.
- request the name of a patient's primary care provider prior to the administering of any immunization. The pharmacist shall notify the primary care provider, by written or electronic communication, as soon as reasonably possible that the immunization was administered.
