

Provider Type Specific Packet/Checklist

(Louisiana Medicaid)

Center-Based Respite Care

(Enrollment packet is subject to change without notice)

GENERAL INFORMATION

Provider Enrollment works on a three-week turnaround time frame. If enrollment requirements are not met, the entire application will be returned for correction and would need to be re-submitted once the corrections are made. Any re-submission of the enrollment packet is subject to additional three- week turnaround period.

The effective date for this enrollment will be the day the application is actually worked by Provider Enrollment.

No billing for 18 months will result in an automatic closure of this provider number, which will require a new enrollment application in order to be re-activated. No notification will be made to the provider regarding automatic closure.

Upon completion of the Medicaid enrollment process, all OCDD/OAAS Waiver Service providers and some providers of other Medicaid services will automatically be added to a Freedom of Choice listing in a web-based program called Provider Locator Tool. This enables public users to search for Medicaid and/or Home and Community Based Service providers who accept Louisiana Medicaid.

If at any time during enrollment as a Waiver Medicaid provider, the provider has a change of physical address, then the provider must first obtain an updated license indicating the new address, and then submit notification of the change of address along with a copy of the updated license to Gainwell Provider Enrollment (see address on checklist, below).

ATTENTION!!

Waiver service providers are required to comply with all requirements contained in:

1. The provider manuals located at:

<https://www.lamedicaid.com/Provweb1/Providermanuals/ProviderManuals.htm>

And

2. The information located on the LDH/OCDD website at
