**Professional Services Fee Schedule**

The Professional Services fee schedule is maintained on the Louisiana Medicaid website ([www.lamedicaid.com](http://www.lamedicaid.com)) using the Fee Schedules link. Providers should review the website regularly for fee schedule additions, deletions and updates. The legend can be found on the first page of the published fee schedule that explains the information contained on the schedule. (See Appendix A for information on accessing the fee schedule.)

Louisiana Medicaid also notifies providers of significant fee schedule changes through remittance advice messages and the *Provider Update*. Providers may contact the fiscal intermediary's Provider Relations Department for questions related to the fee schedule.
