

LTC, Hospice, ICF-DD, Adult Day Care Providers

Due to extra processing time needed for the reconciliation process (Adjustments and/or Voids) of June 2011 claims paid on June 28, 2011 and ADHC claims paid on July 14, 2011, as well as the change in the dates of the regular check writes for July 2011, any claims billed in the month of July will be processed and adjudicated on the check write dated 07/27/2011.

Providers have until noon on Tuesday, July 19, 2011 to submit all June claims as well as other claims not previously submitted to assure processing for July 27, 2011. There will be no LTC, Hospice, ICF-DD and Adult Day Care claims paid on the check write dated 07/20/2011.

Continue to check the La. Medicaid website for any other changes to the Medicaid check write schedules.
