

**Revised status on LTC/ICF-DD Adjustments and Voids scheduled for the 10/29/2013 checkwrite**

Molina generated adjustments and voids originally scheduled for processing for the October 29, 2013 have been re-scheduled for processing on the November 5th, 2013 checkwrite. Please be aware that this in no way delays or defers the processing of provider-submitted adjustments/voids on payments. For questions or concerns regarding this notification, please contact Molina Medicaid Solutions Provider Services at (800) 473-2783 or (225) 924-5040.
