

ALL NURSING HOME, ICF-DD, ADULT DAY CARE AND BAYOU HEALTH SHARED PLAN UNITED HEALTH CARE PROVIDERS

Due to a processing error at Molina, the cut off for LTC claims was incorrect and the weekly check write process began a day early. To assure that all LTC claims are processed there will be a mid-week payment cycle run on Monday July 9, 2012 for a check write dated Wednesday July 11, 2012 and direct deposit on Thursday July 12, 2012.

In addition to LTC and Adult day Care claims, all claims for BAYOU HEALTH Shared Plan UNITED HEALTH CARE received within the same time frames listed below will be processed and paid on the mid-week check write dated Wednesday July 11, 2012.

Included in the additional check write will be claims received at Molina after the Thursday July 5, 2012 cutoff, and claims received by 12 NOON CT on Monday July 9, 2012.

EDI processing will cut off at 12 NOON CT on Monday July 9, 2012.
