

ATTENTION PROVIDERS: ADJUSTMENT OF 7/17 ACA CHECK WRITE

Providers were notified that the ACA enhanced rates adjustments which were reflected on the 07/17/13 RA were incorrectly priced at the facility rate. This only affected claims with dates of service 01/01/13 through 02/19/13. The rates have been updated in our claims system to reflect the non-facility rate, and you will see these adjustments on the 07/30/13 RA.
