

ATTENTION PROVIDERS OF TAKE CHARGE PLUS SERVICES

SYSTEMATIC ADJUSTMENTS TO PAID CLAIMS

RA OF 06/02/15

DHH recently learned that some claims payments for Take Charge Plus services were posted to an incorrect financial reporting file for Federal reporting of LA Medicaid payments. In order to correct Federal reporting, these claims had to be systematically recycled/adjusted and appear on RA of 06/02/15 for all affected providers. They carry the ICN Julian day of 5144. These systematic adjustments were made for DHH accounting purposes to move these payments to the correct file for Federal reporting and should not have impacted provider payments. No action is needed by providers and we apologize for any inconvenience this may cause providers.
